About Alsina & Sardà:

With grape growing roots that can be traced beyond 1894, the Alsina family makes wine and cavas that demonstrate a true knowledge of the land and grapes. Alsina & Sardà is located in the heart of Spain's cava production region, in the municipality of El Pla del Penedès near Sant Sadurn d'Anoia. The estate vineyards have a variety of microclimates due to their proximity to the Mediterranean Sea and different altitudes, so each grape variety is able to find the ideal location to express its best qualities.
